# Rialto

## Rift Oak

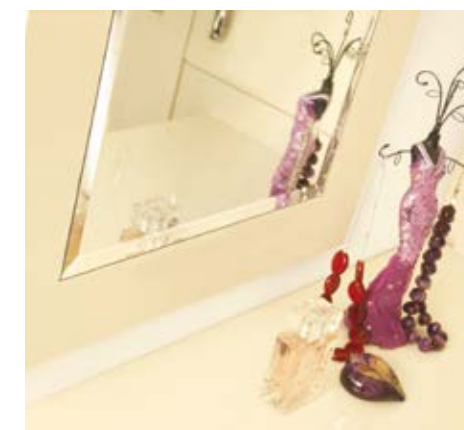

Rialto's linear block pattern gets a contemporary look with five frosted glass panes. The striking texture of Rift Oak sets the mood for a dramatic room.

Wake up to the calm colour of Jasmine. With its smooth gloss surface and gently rounded doors and worktops, this room will ease you into a bright new day.

Glacier Jasmine

# Premier

## Tobacco

At the end of a busy day relax surrounded by dark Tobacco woodgrain furniture, enhanced with the light touch of quattro frosted glazed doors.

Contemporary curves and contrasting colours, combined with the feature of doors over drawers, make this glossy mix a striking creation.

Glacier  
White and Noce

Grey Avola has hidden depths to complement many decor styles. With cutting edge curved doors, this combination succeeds whether at work, rest or play.

Premier Grey Avola and White Text

# Scoop

## Portofino Cherry

The stylish handles scooped into the door edges combined with straight woodgrain, make Portofino Cherry the ideal choice for the practical urban look.

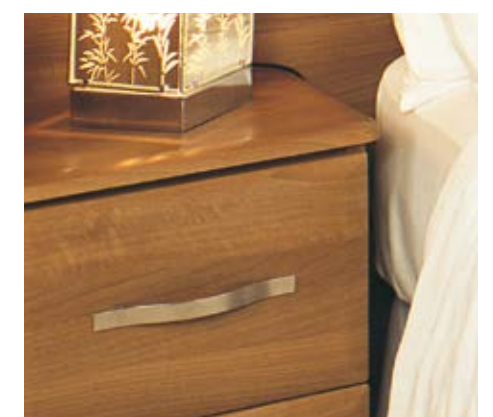

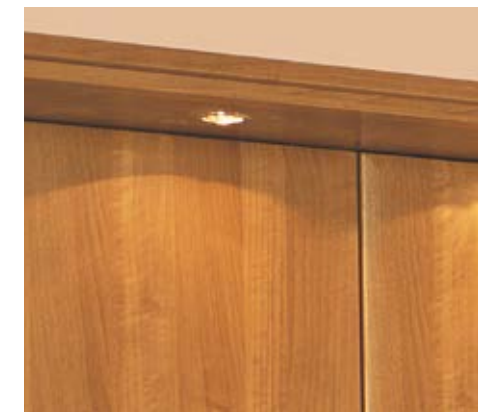

# Geneva

## Walnut

Rich warm tones, perfectly balanced with designer features, ensure that Walnut leads the way in current decor trends. Elegant handles, recessed lighting and frosted glass feature portholes enliven the distinctive styling.

# Harmony

## Beech

Integrated sleep, study and storage space, this simple grooved pattern in best-selling Beech colour is ideal for any bedroom from child to adult.

# Millennium

## Sandy Birch

Follow the crowd or set the trend. Sandy Birch easily fits in with your chosen style, the boldly rounded edges of the Millennium doors adding impact and vitality.

# Chester

## Mainau Birch

Always popular, the subtle woodgrain of Mainau Birch allows you freedom to express your own individuality. The gently rounded door profiles are carried through onto the full length mirror, continuing the understated appeal.

# Eclipse

Let your vibrant colours be reflected in full length bevelled edged mirrors set into simply stated cool white doors.

White Text

# Shaker

White Avola

A classic room with a fireplace and bay window is brought up to date with a contemporary shaker style in the White Avola woodgrain. The curved doors create a unique flowing design making all your space easily accessible.

For individually shaped rooms, the classic simplicity of Glendale creates a perfectly fitted environment with its own personality.

Glendale  
Vanilla Text

Features such as fretted window panes, bevelled edged mirror doors and thick pillasters combined with the opulent woodgrain of Lyon gives the essence of grandeur in this setting.

Melbury Lyon

The timeless look of oak, perfectly matched to a finely patterned door, creating a classic elegance and style that everyone can feel at home with.

Kielder  
Montana Oak

# York

## Swiss Pear

Sweeping curves blended with the natural tones of pearwood create a relaxing space. This versatile combination allows features such as a window seat or linen press to enhance the room layout.

# Ashford

## Maple

Ashford Maple provides the fully fitted bedroom look, with neutral tones and traditional sculptured doors. The light woodgrain is highlighted by soft illuminated alcoves.
